HANSON BRIDGETT HiTECH LAW PRACTICE

TECHNOLOGY LICENSING

WE NEGOTIATE WITH SILICON VALLEY'S KEY PLAYERS

Founded in 1994 by a software entrepreneur, HiTech Law is a law firm deeply committed to the software industry. We have an established legal practice in complex licensing of software and technology.

A large proportion of our clients are Bay Area software companies who regularly transact with key players in Silicon Valley and around the world as well as state and federal government agencies. We have negotiated with many companies on behalf of our clients, including:

- Apple
- AT&T
- Bloomberg
- Cisco Systems
- Digital Bridges
- Electronic Arts
- Hewlett Packard
- IBM
- J. P. Morgan
- L3
- National Semi Conductor
- Nokia
- Oracle
- SAP
- Schlumberger
- Silicon Graphics Inc (SGI)
- Sun Microsystems
- Symantec

OUR TECHNOLOGY CLIENTS SPAN THE INDUSTRY

Our clients range from local start-ups to mature international software companies with complex and wide-ranging licensing needs. We have represented technology clients in the following sectors:
