

Niran S. Somasundaram

Associate

Niran focuses his practice on land use and environmental matters. He frequently advises landowners, developers and public agency clients in land use matters and has experience conducting land use due diligence, preparing and processing entitlement applications, representing clients in administrative proceedings, and ensuring compliance with the California Environmental Quality Act (CEQA) and other land use and environmental legislation.

Niran also advises and counsels clients on environmental regulatory and statutory compliance. He has experience representing both plaintiffs and defendants in federal and state courts, including preparation of pleadings, motion practice, written discovery, experts, and trial preparation.
