

An Interview with New Hanson Bridgett Partner, Jillian Somers Donovan

Jillian's practice focuses on civil and regulatory litigation for health care industry clients and providers of long-term care services. Her representation includes skilled nursing facilities, hospitals, medical staffs, assisted living facilities, continuing care retirement communities, independent living communities, and intermediate care facilities for the developmentally disabled.

1. What made you choose Hanson Bridgett?

Even during my initial interview, I could tell that Hanson Bridgett had a special culture. I wanted to be a part of a firm with that type of positive force. I was happy to find a niche in the health section and develop my practice at Hanson Bridgett.

2. Besides law, what are some of your other passions?

I'm an avid swimmer. I love the sport and I still like to compete when I have the time.

3. What keeps you busy outside of Hanson Bridgett?

Family, friends, sports, and volunteering.
