

BRADLEY P. GILBERT, MD, MPP
DIRECTOR

State of California—Health and Human Services Agency
Department of Health Care Services

GAVIN NEWSOM
GOVERNOR

DATE: June 4, 2020

TO: Medi-Cal Providers

SUBJECT: Audits and Data Submittal Timeframe Extensions and Administrative Hearings

PURPOSE: Provide Medi-Cal Providers with guidance on timeframe extensions for audits and data submittal deadlines, given the Novel Coronavirus Disease (COVID-19) public health emergency.

BACKGROUND:

On April 22, 2020, Governor Gavin Newsom issued Executive Order N-55-20 that provides flexibility to the California Department of Health Care Services (DHCS) and Medi-Cal providers on a variety of deadlines and requirements to ensure continuity of service to patients and customers is not impacted by the effects of the COVID-19 pandemic.

GUIDANCE:

Executive Order Item #1 – Audit, Review and Data Submittal Timeline Extensions

Notwithstanding Welfare and Institutions Code sections 14132.100, 14132.101, 14132.107, 14170 and 14087.325(e)(2), the deadlines for providers to submit, and for DHCS to review, a cost report, change in scope of service request, or reconciliation request are each extended for an additional 90 days beyond the date on which such action would otherwise be due.

While the Executive Order is in effect, Federally Qualified Health Centers (FQHC) and Rural Health Clinics (RHC) may avail themselves of a 90-day extension of time to submit a scope-of-service change request and rate setting cost report beyond the statutory deadline date. In addition, DHCS' time frame to finalize reviews of change in scope of service requests, rate setting cost reports, and reconciliation requests are extended for an additional 90 days beyond the statutory deadline date. The 90-day extension is based on statutory deadlines that occur while Executive Order N-55-20 is in effect, not whether a provider's fiscal year ends during the state of emergency.

DHCS understands that other Medi-Cal providers may have trouble meeting cost report submittal deadlines due to the impact of COVID-19. If you require additional time to provide data to DHCS, please contact Audits and Investigations. Your request will be considered in accordance with Executive Order N-55-20 as well as state and federal law.

For FQHCs and RHCs that have any questions regarding Executive Order Item #1 guidance, please contact the Audits and Investigations FQHC/RHC Section via email at clinics@dhcs.ca.gov.

For all other Medi-Cal providers that have questions regarding Executive Order Item #1 guidance, please contact the Audits and Investigations Financial Audits Branch via email at FABaudits.Questions@dhcs.ca.gov.

Executive Order Item #2 – Administrative Hearings

The time limitations in Welfare and Institutions Code section 14171, subdivisions (e) and (f), and the provision of subdivision (d) making those time limitations mandatory, are suspended. DHCS may conduct administrative hearings and issue final decisions related to the administration or services of Medi-Cal or DHCS notwithstanding the time limitations set forth in section 14171, subdivisions (e) and (f). Notwithstanding the foregoing, DHCS is encouraged to adhere to the timelines set forth in those subdivisions, to the extent reasonably possible. To the extent DHCS delays a matter under this paragraph, Welfare and Institutions Code section 14171 subdivision (h) is suspended, and interest on an unrecovered overpayment shall not accrue during the delay.

While the Executive Order is in effect and to the extent possible, informal reviews, pre-hearing matters, settlement conferences, and some formal hearings may be conducted via telephone- or video-conference. In matters not conducive to these media, hearings may be held and decisions issued beyond the statutory time limitations, as needed to address COVID-19-related issues.
